

Imagine yourself in a barren place surrounded by wind, cold, ice, snow, and the chaos of countless others that look just like you. Yikes! Oh, did I tell you, you're a penguin? So, how in the world do you find your family? It's a matter of life and death. As it turns out, mother penguins find their young by the voice frequency. So, how is it that we, as humans, find our way through the chaos of life, into a relationship with God? Our survival depends on this; **we must respond to His voice.**

The true light...was coming into the world

The world was made through Him

The world did not recognize Him

He came to His own

His own did not receive Him

Yet, to all who received Him (who believed in His name)

He gave the right to become children of God

Born of God

Personal Application and Interaction

1. Ask yourself, how does “darkness” affect your relationship with God?
2. How is Jesus bringing light into your darkness?
3. What makes you think you are a child of God?
4. Isn't it everyone's right or reality to be a child of God?
