What kinds of objections have you heard regarding what books belonged in the Bible?

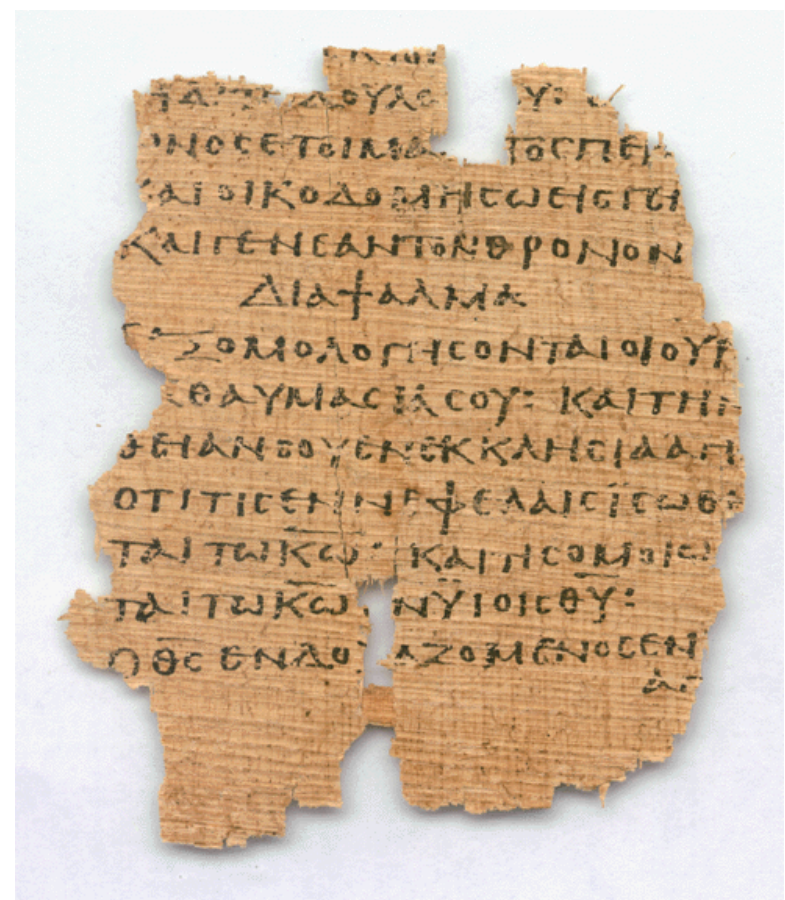

Have you personally wondered if what we have is the Bible as God has intended us to have? Why are you not?

If you thought there were errors in Scripture how do you think that would affect your study of the Bible?

Does a high view of Scripture guarantee Biblical accuracy and truthfulness for the reader? How so?

Why is it important for Christians to know which books belong in the Bible? How would your life be different if you had to rely on some other documents?

What gives you the greatest comfort in knowing what we have is the Bible God wants us to have?
