

I haven't decided what I'm going to be when I grow up. I know many of us use that line in hopes someone will agree with our attempt to create a more youthful persona. Hmm! At my age, who's going to believe that? So, when can we say we've grown up? And, what does it take to be fully mature in Christ?

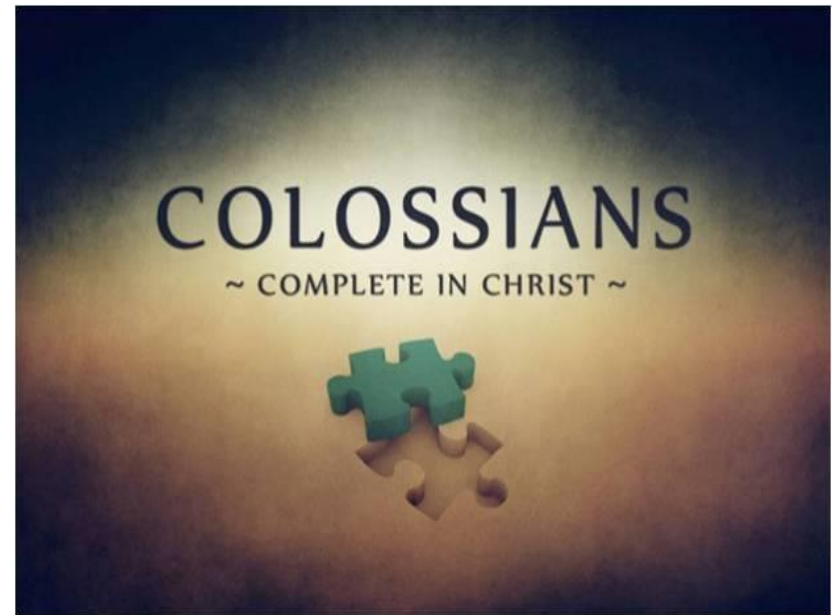

*A wonderful start*

*Serious concerns*

*Fully mature*

## Personal Application and Interaction

1. What really matters as we journey through life?
2. What threatens the progress of the body of Christ in Southern California?
3. How do you understand what it means to be fully mature in Christ?
4. How has your understanding of the person of Jesus Christ grown?
5. What are we doing as a church to “present everyone fully mature in Christ”?
