Personal Application and Interaction

1. When was the last time you responded to a “pop quiz” directed by the Holy Spirit, at a challenge you were facing?
2. How is your state of mind affected by the intimate knowledge that God in Christ created all things?
3. How is it that you sometimes forget that all things were created by Him and for Him?
4. Paul lists four groupings of things that God in Christ created. Choose one of those combinations and describe how an awareness of His Lordship in that area gives you a fresh knowledge of His Will that re-sets the direction of your walk in Him.
