

### Personal Application and Group Interaction:

1. What steps do you take to make sure you won't forget something?
2. Peter urges us to live our lives, "...as strangers here in reverent fear." Those who fear the Lord remember that He is always present; watching and weighing everything we think, say and do. So, what is it that feeds your own personal fear of the Lord?
3. In what ways have you "tasted that the Lord is good?" (1 Peter 2:1-3)
4. Suffering for Christ's sake is a key theme of 1 Peter. It has the power to refine God's people. How is that so? In what ways has that been true in your life and experience?
5. What we do with Jesus on a daily basis determines the way we handle all the twists, turns and terrors of life. (1 Peter 3:13-16) Spend some time reflecting on how this has been so in your life.
6. Consider the connection between the messages of 2 Peter 1:12-21; Psalm 119:9-11 and Psalm 139:23-24. How seriously do you take these truths?

## Remember These Things!

1 & 2 Peter

What do you do to make sure that you won't forget something? I suppose we all have our systems. We are indebted to an employee from 3M Corporation for "Post-it" notes. Smart phones call out to us from our pockets to remind us of a commitment. We recognize our need for a memory safety net and so we ask for help with those familiar words, "Don't let me forget to...!"

The Apostle Peter had some heavy duty issues that he wanted God's people to remember. They were front burner items for his day and they are fresh matters for us today.
