

The identity of Jesus has been a highly debated matter over the centuries. It has given rise to serious schisms. Heresies have arisen over His identity. How comfortable are you in the notion that ordinary people in our times are caught up in such heresies? Jesus made it very clear that He wants a vibrant relationship with us. That requires a growing understanding of His person, His values, and His will. The letter of Paul to the church in Colossae was written to clarify and personalize God's intentions to know Him in Christ. So we continue our deliberate study of this little epistle about the supremacy of Christ. Enjoy!
