The Spirit Filled Life

Acts 6-7

Pastor John

Who do you call when you're faced with a crisis? Why did you immediately think of that person or resource? How does anyone know how to handle these things? The early church faced overwhelming threats from the outside and inside. They might have buried their heads in the sand or relocated to a safe place. Instead, they entrusted those threats to people who lived Spirit filled lives.

What does it mean to be filled with the Spirit? How do we recognize followers of Christ who are filled with the Holy Spirit? Where do they show themselves in our church, our community and all over the world? What is God doing through them?
